

Program Guidelines

Program Rationale

The Export Market Access Program (EMAP) is designed to assist Atlantic-based small to medium-sized enterprises (SME's) increase their exporting performance. It provides a financial contribution, in the form of a reimbursement, for select activities. This program is intended to complement existing programs available through both the Federal and Provincial governments.

For the purposes of this program, exporting is defined as sales of products and/or services for use in regions outside of Canada. Sales to an international company, for the use of product and/or services within Canada, is not eligible.

The Export Market Access Program is managed by LearnSphere Canada with financial assistance from the Atlantic Canada Opportunities Agency.

Program Objective

Applicants must demonstrate that the proposed activity will improve export performance.

Eligible Applicants

- Small to medium-sized enterprises (SMEs) or non-governmental organizations (NGOs) which are currently exporting or plan to export
- EMAP is open to many industry sectors with the exception of: retail/wholesale, real estate, government services, personal or social services and forestry
- Professional service providers are generally not eligible applicants. Professional services may be considered if the project represents a unique and/or strategic opportunity with potential economic benefit to Atlantic Canada
- Applicants must have generated revenue in the last year.

Please note that meeting the eligibility requirements does not mean that your application will be approved.

Eligible Activities and Costs

Incrementality

Eligible activities must be incremental; they must go beyond the applicant core activities and represent new market initiative (geographic, industry or product/service).

Assessment

Applications will be assessed on incrementality, potential economic benefits, the export business case, and alignment with the Atlantic growth strategy. Each application should be supported with a strong complement of information to assist in the evaluation.

Consultant: It is the responsibility of the Applicant to select the consultant(s) they will hire to complete the project activities. All consultants must be at arm's-length to the Applicant, and their fees must be at fair market value.

Contract Approval: If the application is approved, a contract will be issued between LearnSphere and the Applicant. It will be the sole responsibility of the Applicant to ensure that satisfactory work is completed by any outside resources (consultants).

Reimbursement: The Applicant will be required to cash flow the project. **LearnSphere will reimburse the contribution amount after the project is completed, all project costs have been paid, and a claim has been submitted by the Applicant.**
